

Dress Code

For the safety and enjoyment of all classes/rehearsals we kindly ask students to abide by the following dress code:

- Loose, comfortable clothing that allows for easy movement (ex. Athletic clothing, leggings).
- Closed-toed and comfortable shoes should be worn to all class rehearsals (dance or jazz shoes, athletic sneakers).
- Dresses and skirts that don't restrict movement are allowed, please wear shorts or leggings underneath.
- Dress rehearsal and performances often call for additional dress code needs that will be clearly communicated with each performance as needed. Specifically, "solids" such as dark-colored pants and a tank top that allow for quick costume changes and dark shoes (dance, jazz, or athletic sneaker).
